

GEMS - Register for Username and Sign In

The screenshot shows the GEMS login page with the following elements:

- URL: <https://ca-ots.force.com>
- Page Title: OTS GEMS LOGIN
- Introductory text: "This is the login to the California Office of Traffic Safety (OTS) Grant Electronic Management System (GEMS) for submitting new Grant Applications, and submitting claims and reporting for active grants. If your agency is registered with OTS and you need a login, please click Register. If you cannot find your Agency in the Agency lookup on the Register page, please contact OTS to have your agency added to the system. An agency/department is allowed up to 5 users registered. If your agency already has 5 active logins, your Grantee System Manager must deactivate one before registering for another."
- Form fields: "Email address" and "Password".
- Options: "Remember me" checkbox and "Forgot password?" link.
- Buttons: "SIGN IN" and "+ Register".

A red box highlights the "+ Register" button, and a red arrow points from it to the registration form on the right.

Please fill out the following information. Required fields in red.

Agency	<input type="text"/>
Last Name	<input type="text"/>
Email	<input type="text"/>
Title	<input type="text"/>

- The OTS Grants page provides contact information for Grants Management assistance - www.ots.ca.gov/Grants
- For security and data quality, your **agency, last name, and email address** must match a Contact in the Grants Management System (GEMS) in order to Register for a username.
- The link to Register for a GEMS username or Sign In with an existing Grantee username is: <https://ca-ots.force.com>
- If you register successfully, GEMS will email your username and a link to create a password. If you are unable to register, contact CA OTS at (916)509-3030.
